

SEMI-AUTOMATIC SPORTING RIFLE

FÉG HD-18 GEN1

Hungarian Dragunov-18 Sporting Rifle with PSzO-1M2

The FÉG HD-18 Sporting Rifle back in production after 50 years as a heritage of Hungarian made SzVD Scoped Rifle.

The Sporting Rifle has a gas-operated system, and operates in the semi-auto firing mode only. The metal parts are made of high-quality alloyed steels. The receiver is machined from a single solid-piece steel block. The wooden parts are made of walnut with pickled finish.

Features:

- M-Lok RAS mount
- PSzO-1M2 Target Scope
- Exclusive walnut furniture
- Cold hammer forged barrel
- Modular Muzzle Device
- 2x10 round magazine

Future Option:

- Picatinny RIS mount
- AR-15 style pistol grip and buttstock
- M-Lok furniture
 - Bi-Pod
